IMPACT STORY

Benson Chembe

BENSON CHEMBE is a changed life that God has used to change many communities. After pastoring for many years in Zambia, Benson enrolled at CCM and graduated with a Masters in Missions. He took his training to heart and began traveling to different African countries to train leaders in disciple-making. He eventually joined World Discipleship Association (WDA) and now serves as the Africa Director. Today he and his team develop large communities of Christian leaders in many African countries including Zambia, Zimbabwe, Botswana, DR Congo, Malawi, South Africa, Tanzania, Zanzibar, Kenya, Uganda, Ethiopia and even India. Prior to his training he had a solid local impact as a pastor. Today he is impacting thousands of people for Christ across the African continent!
