IMPACT STORY

Mark Nyirenda

From a remote village in Zambia, to mission outreaches throughout Africa, MARK NYIRENDA has impacted his continent for Christ! Since childhood, Mark had a passion to pastor. After becoming a Christian in Grade 12, Mark left his family & village for more opportunities in the city. He eventually enrolled for studies at CCM. Mark exhibited an unusual hunger for reading the Bible & Christian literature. During his studies, Mark came to understand his responsibility to reach the world for Christ. For the past 10 years Mark has pastored two churches in Zambia and led over 20 short-term mission outreaches throughout Africa. His “beautiful feet” (Romans 10:15) have gone into many parts of Zambia & have reached as far as Congo D.R., Malawi, Botswana, Tanzania, Kenya, South Africa & even Chad. His mission is to evangelize the lost, equip leaders and distribute Bibles. “The Bible has transformed my life”, Mark says, “and I want it to transform the lives of others.” Mark, despite being a pastor, husband & father of four, has championed short-term missions throughout Africa tirelessly. He has blazed a trail that many African Christians have not yet understood! God gave Mark a vision for missions while studying at CCM. Mark obeyed God’s command to “Go & make disciples of all nations”. (Matthew 28:19)
