IMPACT STORY

Peter Nangama

PETER NANGAMA, a gifted evangelist, also serves God as a pastor, teacher and missionary. At 19 years, Peter became a Christian when God touched his heart through the gospel song: *Are you sure you are going to enter the kingdom of God?* Cut to the heart, Peter gave his life to Christ and later enrolled at CCM. Peter was sent on mission outreaches into Zambia, Congo D.R. and Zanzibar. "These four years were transformative" recalls Peter, "CCM not only gave me sound doctrine, but also equipped me with leadership skills, cross-cultural understanding and a vision for missions". God changed Peter's life and created a fire in him for evangelism, leadership development and missions. After graduation Peter went to Tanzania as a missionary, planted 2 churches and trained leaders. Returning to Zambia, he now serves as a pastor, arranges leadership seminars in different churches and travels into remote villages of Zambia sharing the gospel. For three days villagers hear about God's love in Christ through the Jesus film. New believers are prayed for, counseled, given Bibles and sometimes helped with clothes. "I see how the Lord has guided me from my humble beginning to serving across nations", says Peter, "My deepest prayer is to reach the unreached, disciple believers and strengthen the churches until the day Christ returns."
